

FWS Monthly Meeting 2/21/19

Update on jog-a-thon (Christie)

\$2600 raised so far. If you know any families/businesses, please forward them info, or have them contact me.

Joy – parent – shared experience with Sodexo

Noticed same food over and over for breakfast – would like to see more options and more parents go. Quality of food should reflect quality of school. Sodexo and Joy are working together to get more parents/families to come and network.

Parent shared that the coffee brought people in (coffee used to be free).

Pascal shared the history of the free coffee – that FWS used to pay for it – but the FWS role changed. Idea of a donation box – drop money if you can. Or maybe we half/half with Sodexo. Maybe a buy a Wai’alae mug and get free coffee for a year (or something similar). Allison to research. Is there a way we can get students involved – like have them deliver the coffee, take orders, etc. Can we do a teacher-appreciation coffee delivery? Discussion about parking/drop-off maybe causing people to not come in?

Coffee committee created (Vince)

Allison – Keep it Kaimuki bag. Cost about \$5-6 to make bag, gets discount at vendors. Sells for \$25. Can we sell it here? It could fund coffee and other things. Also, Allison has 50 red womans tanks. She wants to give it to school or FWS with a way to fundraise??

Logo shop – Lisa Foxen willing to lead (but needs help)

Rummage sale - Vince - Concern about cost of items sold. Maybe can offer – pay whatever you want.

Coffee shop at Fun Fair to be put under Country Store

Silent Auction – Kuulei chair

Alcohol sells a lot

W\$F would like to help (but not chair) and try to get donations

Box tops – Mel does it for school, gets about \$500 – sends them in about once a year

Can Hui parents send an email – Hey, did you know we collect box tops and funds go back to Wai’alae?

Amazon smile – FWS has a smile account, but does anyone know about it?

Coffee at Country Store at Fun Fair – maybe with re-usable cup

Lemonade stand and book sale will be under Country Store.

Renee (Games) has sent out email asking grade levels for games/activities  
What is financial goal?  
\$10,000

Banners – anyone with connections to banners? Not sure if FWS still has banners. Maybe in closet. Allison will see if Professional Image (maybe scrip was printed there too)

Scrip – need to order more scrips

Pre-sale scrip - Pascal – he will look at the calendar

Virginia – Volunteers – if you need volunteers, let her know by March 15

Sign – who makes the signs?

List of chairs, etc on FWS website – Pascal to work with Titus  
Maybe we need to password protect some info – Titus will look at it.

John – bring alumni back

Alumni woman who is in her 90s - will come back to Fun Fair – is there somewhere we can have her hang out? Can we do a type of newspaper feature or something we can do? Can we bring alumni back? Alumni can even come speak at Morning Assembly. Maybe start with Kaimuki or Kalani high school

Annual Fund – on-going

May try to focus on corporate donations during the summer

Maybe find a way to reach out to Alumni and invite them to Fun Fair

Foundation – to run photo booth – maybe bring old photos to Fun Fair

Fun Fair Theme – Happy 90<sup>th</sup> Birthday, Wai'alae!
